HRCC doesn't believe you should have to contribute hundreds of dollars to be a sponsor, so we begin to recognize contributors beginning at \$25. Our sponsorships are represented by different levels of dynamics, or volume. These begin with the very soft "pianissimo" and progress to the very loud "fortissimo". They've been set to encourage families, individuals family members, business groups to contribute financially and with donated services to help HRCC provide different styles of music to people with any and all musical backgrounds.
