

HUMMING RIGHT ALONG

SPRING FUNDRAISER

We've just started our spring cookie dough fundraiser, which ends March 15. We beg and plead for members to "sell, sell, sell", sometimes stopping just short of getting down on our knees ... hmmm, maybe we'll try that this fall!

What you may not realize is what we do with the money we raise.

HRCC incurs many expenses, some weekly, some per concert, and some annually. We have two paid contractors, our director and accompanist; there are expenses for rehearsal and performance venues, sound technicians, musicians and other helpers, program printing (although much of it is done free by Chorus members), props, insur-

ance, and trailer maintenance.

And there's always the big one: updating our music library!

In addition to our Christmas and Spring concerts, we also do many free concerts throughout Douglas County & the metro area each year. While lots fun & great exposure, they don't have cash flow to go with their expenses. We have received funding from SCFD for several years, but our fundraising efforts must match those funds!

Now you know why fundraising is so important to HRCC.

And this year it's easy for you to support us even if you don't live in the Denver area! Visit our website
